

CONSULT. INSTALL. RECYCLE. REPEAT.

Experience the relief of working with a reliable commercial flooring installation partner.

Our Goal is to install high-performing, long-lasting floors for our clients—with no excuses, and without all the hassle.

OUR CLIENTS

Corporate Floors is fortunate enough to work with some of the best general contractors and Fortune 1000 companies locally and across the nation. Our unique, full-service approach from advising on flooring and installation choices, to installing a wide variety of products—carpet, tile, wood, resilient as well as our wide network help us service projects in Texas and beyond.

OUR PARTNERS

Our success comes from having the best team in the industry—a team that extends well past the walls of our offices. By working together with some of the most respected names in the industry—vendors, partners and trade associations—we help bring more value to our clients and their facilities.

OUR COMMUNITY

We support many charities sponsored by our clients, vendors and employees. We strive to make a positive, meaningful impact in the lives of others.

DIFFERENT BY DESIGN:

Project teams: Our project teams work together to deliver excellent results for your project. With a high level of “give-a-damn” and the drive to successfully solve any problem that arises, your project will be in good hands.

Your Project Consultants: Pre-construction Estimating, Project Specification. Our team of experts are available for giving solid advice and filling in knowledge gaps all in the spirit of helping you make more informed decisions and mitigate risks.

Industry Experience: Since 1997, Corporate Floors has installed and maintained millions of square feet of floor coverings for companies such as Verizon, DFW International Airport, JLL, CBRE, Balfour Beatty, Turner Construction and many others. Over the last two decades, we’ve developed an extraordinary team and designed processes that have helped us complete challenging projects exceptionally all over Texas and the United States.

Solid Advice & Seamless Installation

That's Corporate Floors!

OUR PLANET

Environmental awareness has been the bedrock of our company since Corporate Floors started in 1997. We pride ourselves on offering environmentally responsible solutions for our clients and have been a zero carpet-to-landfill company for more than nine years, diverting millions of pounds of carpet from landfill as part of our standard business practice.

OUR COMPANY

For over two decades, Corporate Floors is a certified MBE and HUB company. We provide the same, high-quality, results-oriented service to major contractors and end users across Texas and beyond. Using top-tier technology and business processes, we offer world-class service—not just because it's the right thing to do, but because we care about doing the right thing.

“Providing excellent customer service relies on two essential factors: Investing in quality team members, and ensuring they have the skills, training, and tools to actively listen to and empathize with customers.”

— Thomas Holland, CEO

Corporate Floors: Going strong since 1997

From humble beginnings with one employee, Corporate Floors has grown to become the premier full-service flooring contractor across Texas and beyond.

The values that drive our company are the same that drive the results on each of our projects. A positive “can do” attitude and a “team player” approach to every job. Open, real communication with clients. A passion for doing the right thing—and the resilience and resourcefulness to make sure it happens.

It's why major corporations like Verizon, DFW International Airport, JLL, CBRE, Balfour Beatty, DPR Construction, The Beck Group, Turner Construction and many others rely on us to successfully complete their flooring projects, and why you can trust that the Corporate Floors name means beautiful, hassle-free results. When it comes to making sure the job gets done right the—first time, every time, we draw on our team's resourcefulness to make sure your project is a success.
